

Ice Cream Truck can be found online at <http://hm.gs/icecreamtruck>

Ice Cream Truck Worksheets

Instructions:

1. Before opening for business each day you need to purchase inventory and set the amount per serving of each ingredient. Record this information in the table below.
2. At the end of each day a graph appears showing your progress. Read this graph and record the information in the table below.

(hint: you can speed up the day by clicking on the button in the lower right corner during game play)

Day	Inventory			Amount per Serving			Graph Info.	
	Cones	Ice Cream	Toppings	Ice Cream	Topping	Price	Dollars	Popularity
